SATURDAY MORNING'S BREAKFAST

You're all invited to join LBARA members for a great breakfast each and every Saturday morning at Rusty's Resturant located at the southwest corner of Lake Havasu Ave and Kiowa Blvd. Breakfast is served at 6 a.m. (or earlier if you want a good seat!) Most important, the food is great!!!!

QUARTZFEST* 2011

- When?** January 23rd thru 29th of 2011 (make sure you put Quartzfest 2011 on your calendar)
- Where?** 7 miles south of Quartzsite Arizona - on US 95 at La Paz Valley Road
- Who Can Attend?** **ANYONE!** If you don't have your Amateur Radio Operators License yet, we'll be offering Licensing Exams at 10:30am on January 25th, 2011.
- What?** Quartzfest is an annual HAM Radio RV'ers Boondocking event which is held in late January every year with dates coinciding with the Quartzsite Arizona "RV Show".

During the week of Quartzfest, RV's are everywhere across the desert, as far as you can see..every make and model you can imagine! There are hundreds of groups that meet in Quartzsite every year in different parts of the desert who share like interests. Our Annual Amateur Radio event is called "QuartzFest" and is open to ALL to attend. QuartzFest is not a club, no officers, no budget, no dues and is not affiliated with or sanctioned by any organization. QuartzFest's continued success exists because of the many HAM's dedicated to seeing it go on year after year, all of whom are volunteers. Quartzfest started out about 12 years ago and is just a bunch of HAM's getting together, camping in their RV's in the middle of the desert..no power, no restrooms, no running water. Solar Panels and Generators are in use everywhere (if you run your generator, you've got to be courteous to your neighbors). If you want to see how well you're prepared and how long you'll be able to hold out in the event of an emergency or disaster, "Boondocking" in the desert for a week will show you.

Quartzfest is similar to a mini-HamFest with a week full of scheduled activities. Seminars range in topics from Genealogy and Crafts for Non-HAM's to Technical information for the seasoned HAM, and introductory information for the new HAM. Also included in the week's activities are VE Testing, Antenna Shoot Out, Antenna Walkabout (touring other HAM's RV Antenna installations), 4x4 Trip in the Desert, Campfires..some with musical entertainment, Movies using the side of an RV as a screen, Hobo Stew, Shopping, Shopping, Shopping, and lot's more!

Cost? Camping on BLM (Bureau of Land Management) land is absolutely **FREE!!** and you can camp there for up to 2 weeks.

ATTENTION READERS

Please note that this issue represents a “work-in-progress” and there are a number of changes to be made in subsequent issues. I would greatly appreciate your comments, both good and bad, as well as any suggestions for future issues. This issue also begins our first attempt to deliver the **STATIC** to your doorstep electronically. Please keep me abreast of any email address changes you may have and I promise to have this delivered promptly and accurately. Also, I still have a number of articles awaiting publication and will do so in the future. This is your newsletter, so keep the articles, letters, and pictures coming. I can be reached at home (855.7941), at work (855.3081) or via email at grf@uneedspeed.net .

EQUIPMENT FOR SALE

EDITOR’S NOTE: List your items for sale here. Ham radio related only, please. Include a picture if you like (please use a jpg format). Email all to me at grf@uneedspeed.net) along with your name and phone number.
